

Botswana Vaccine Institute (BVI) is pursuing its Transformational Agenda through its “Lepelong Ya Moleepi” 5 Year Strategy. Consequently, the Institute has developed a new organisational structure aligned to this strategy. The organization wishes to recruit consummate professionals, with solid experience, who are driven by a passion for excellence into the following positions in the new organisational structure:

OPPORTUNITIES

1. Procurement Oversight Manager
2. Research Scientist
3. Sales and Distribution Officer
4. Technician Instrumentation
5. Assistant Technician
6. Artisan Refrigeration
7. Artisan Mechanical
8. Artisan Electrical

For more information on the positions, please visit

www.peopleconnections.co.bw

To apply in confidence, please visit **www.peopleconnections.co.bw**. Applicants should ensure that they register first and then apply by completing the application process and submitting a detailed curriculum vitae and providing names and contacts of at least three traceable referees.

Closing Date: 24th April 2024
